RESOLUTION CHAPTER _____

Senate Concurrent Resolution No. 44—Relative to Foster Care Month.

LEGISLATIVE COUNSEL'S DIGEST

SCR 44, Liu. Foster Care Month 2011.

This measure would designate the month of May 2011 as Foster Care Month in California.

WHEREAS, All children need and deserve to feel love, a sense of belonging, and the continuity of family and loved ones to support and guide them in their growth and development; and

WHEREAS, This need is especially urgent for California's 60,000 children in foster care, who have experienced the trauma of neglect, abuse, and separation from family and loved ones; and

WHEREAS, Thanks to the focus and commitment of Californians working in public and private organizations in child welfare, probation, mental health, public health, education, and the courts, and the extraordinary commitment of those who open their homes and work with jurisdictions to meet the needs of foster youth for safety, permanency, and well-being, more of California's youth are able to live and grow up with the support of permanent, caring families; and

WHEREAS, In recent years, California has made great strides in attaining permanency for thousands of children and youth in foster care; and

WHEREAS, Throughout the state, children and youth are benefiting from a focus by child welfare jurisdictions on creating permanent family connections from the moment a child enters child welfare supervised care; and

WHEREAS, During 2009–2010, almost 60 percent, about 19,000, of the children leaving foster care were returned to their families; and

WHEREAS, For those children and youth who could not safely return to their own families, we celebrate that nearly 6,500 were adopted during that period and almost 3,000 attained permanence

through guardianship with relatives or other adults; now, therefore,
